# A MESSAGE FROM THE PRESIDENT

The National Academies of Practice (NAP) is an alliance of health care professionals who are collaborating to transform health and wellbeing through teamwork, integrated care, and interprofessional collaboration in practice and education. Together with our community partners, we advance health and wellbeing through patient-, client-, and community-centeredness and inclusivity.

The National Academies of Practice 2025 Annual Meeting & Forum will occur at the Capital Hilton in Washington DC on March 13-15. Our meeting title is **Igniting Interprofessional Collaboration: Strategic Impact Starts with Us**. The event will feature peer-reviewed professional development workshops, symposia, panel discussions, and poster sessions. Attendees will have the opportunity to share best practices and learn from one another, as well as from keynote speakers. The NAP Forum aims to unite the community and highlight outstanding efforts in advocacy, scholarship, transformation, innovation, and policy that support interprofessional collaborative practice and improve lives.

Please make plans to join us and consider becoming a sponsor of the NAP Annual Meeting & Forum. Doing so will advance our work together and align your organization with some of the best and brightest practitioners, scholars, and researchers from various healthcare professions. Our sponsorship levels offer flexibility, allowing you to choose the level of support that works best for your organization.

We appreciate your consideration and eagerly anticipate the opportunity to work with you as we continue our journey. I am excited to see you in Washington!

Warmest Regards,  
Andrea Pfeifle, EdD, PT, FNAP
